"Very comfortable for long periods. The companion app EQ settings are fantastic, though the carrying case could be slightly smaller."

James T.

VERIFIED BUYER

"Premium build quality. The aluminum accents feel robust and the multipoint bluetooth switching between my laptop and phone is flawless."

Sarah Chen

VERIFIED BUYER

Aug 30, 2026

"Best headphones I've owned. Replaced my old pair of a leading brand and these are surprisingly better at isolating mid-range frequencies like voices."
